

Meet Your Support Team

Below is a summary of your primary contacts and support resources available to assist with benefits setup, enrollment, ongoing service, and claims support.

Manage Your Benefits Online

Colonial Life's website offers helpful information and tools for both plan administrators and policyholders.

Both can register for access to the Colonial Life portal, where you'll find claim forms, plan details, and additional resources.

Visit www.coloniallife.com to get started.

Your contacts for benefits support and service:

Account Setup & Open Enrollment	Ongoing Account Service	Home Office Support (Plan Administrators)	Online Resources & Service Center
Support for new account setup and open enrollment planning.	Assistance with billing questions, claims support, and ongoing service needs.
